6 Restriction on authority conferred by category H licence

- (1) The genuine reason of business or employment does not, in relation to a category H licence or an application for such a licence, include business or employment that constitutes any other genuine reason.

Note. Section 16 of the Act provides that a category H licence must not be issued unless the genuine reason established by the applicant is sport/target shooting, business or employment or firearms collection. The genuine reasons specified in section 12 of the Act are each mutually exclusive.

- (2) Accordingly, a category H licence issued to a person who has established business or employment as the genuine reason for being issued with the licence does not authorise the possession or use of a registered pistol for a purpose that is a genuine reason other than business or employment.

Note. For example, the licensee is not authorised to use the pistol for the purposes of:

- (a) hunting (including the control or suppression of vermin or pest animals) or fishing, or
- (b) farming or grazing activities (including the destruction of diseased or injured animals).

7 Licence applications

For the purposes of section 10 (1) of the Act, the manner of making an application for a licence is:

- (a) by sending or lodging the application in writing in the approved form to or at the Firearms Registry of the NSW Police Force or such other place as may be approved, or
- (b) by making the application by approved electronic means.

8 Term of licence

- (1) In making an application for a category A, B, C, D or H licence, or for a firearms collector licence that is to be part of a composite licence, the applicant may apply for

a licence that will be in force for a period of 2 years (as an alternative to a period of 5 years).

- (2) For the purposes of section 21 (1) of the Act, the period of 2 years is prescribed in relation to any such licence.
- (3) A **composite licence** is a licence that authorises the licensee to possess firearms to which more than one category of licence applies.
- (4) This clause does not apply to a category D licence referred to in section 21 (2) of the Act, a provisional pistol (business/employment) licence or a probationary pistol licence.

Note. See section 21 of the Act for the period for which a licence referred to in subclause (4) is in force.

9 Certification of requirements relating to safe keeping of firearms

(1) Certification in licence application

The Commissioner may refuse to issue a licence unless the applicant has certified in the licence application that the applicant is aware of, and understands, the requirements of the Act and this Regulation in relation to the safe keeping of firearms to which the licence applies.

(2) Certification in application for permit to acquire firearm

The Commissioner may refuse to issue a permit to acquire a firearm unless the applicant has certified in the permit application that the applicant has arrangements in place for meeting the requirements of the Act and this Regulation in relation to the safe keeping of the firearm.

10 Fingerprinting of applicants to confirm identity in particular cases

- (1) The Commissioner may:
 - (a) require an applicant for a licence or permit to consent to having his or her fingerprints taken by a police officer in order to confirm the applicant's identity, and
 - (b) refuse to issue the applicant with a licence or permit unless the applicant has been fingerprinted in accordance with any such requirement.
- (2) A requirement under subclause (1) may only be made if:
 - (a) there is a reasonable doubt as to the applicant's identity, and
 - (b) proof of the applicant's identity cannot be confirmed by any other means that are reasonably available in the circumstances.
- (3) The Commissioner is to ensure that any fingerprints that are obtained in accordance with a requirement under this clause, and any copies of them, are destroyed as soon as they are no longer needed in connection with the application to which they relate.
- (4) As soon as practicable after any fingerprints (or any copies of them) are destroyed in accordance with this clause, the Commissioner is to notify the applicant in writing that those fingerprints (and those copies, if any) have been destroyed.

11 Mandatory grounds for refusal of permit for pistol

- (1) The Commissioner must refuse to issue a permit authorising the possession or use of a pistol if the Commissioner is satisfied that the applicant intends to possess or use the pistol for the purposes of:
 - (a) hunting (including the control or suppression of vermin or pest animals) or fishing, or

- (b) farming or grazing activities (including the destruction of diseased or injured animals).
- (2) However, subclause (1) does not apply in relation to an applicant if the Commissioner is satisfied, on production of such evidence as the Commissioner may require, that the applicant has a medical condition or disability that prevents the applicant from using a rifle or shotgun for the purposes referred to in that subclause.
- (3) If the Commissioner issues a permit pursuant to subclause (2) authorising a person to possess or use a pistol for a purpose referred to in subclause (2), the Commissioner must revoke any licence or permit that authorises the person to possess or use a rifle or shotgun.

12 Discretionary grounds for refusal of permit

- (1) The Commissioner may refuse to issue a permit to a person unless the person has successfully completed such firearms training and safety courses as the Commissioner considers to be appropriate in respect of the permit concerned.
- (2) The Commissioner may refuse to issue a permit authorising the possession or use of a firearm if the Commissioner is satisfied that the applicant intends to possess or use the firearm for personal protection or the protection of any other person or for the protection of property.

13 Lost, stolen or destroyed licence or permit

A person to whom a licence or permit has been issued must, within 14 days after becoming aware that the licence or permit has been lost, stolen, destroyed, defaced or mutilated, notify the Commissioner of that occurrence in writing or in such other manner as may be approved.

Maximum penalty: 20 penalty units.

14 Application for duplicate licence or permit

- (1) The Commissioner may, on being satisfied that a licence or permit has been lost, stolen, destroyed, defaced or mutilated, and after payment of the relevant fee specified in Part 11, issue a duplicate licence or permit.
- (2) An application for a duplicate licence or permit is to be made by sending or lodging the approved form for the application to or at the Firearms Registry or in such other manner as may be approved.

15 Requirement to notify Commissioner if reason for possessing firearm ceases

- (1) If a licensee's genuine reason for possessing or using a firearm under the authority of a licence can no longer be established by the licensee, the licensee must, within 14 days after becoming aware that the licensee has ceased to have that genuine reason, notify the Commissioner of that fact in writing or in such other manner as may be approved.
Maximum penalty: 50 penalty units.
- (2) If a permit holder's legitimate reason for possessing or using a firearm to which the permit relates can no longer be established by the holder, the permit holder must, within 14 days after becoming aware that the permit holder has ceased to have that legitimate reason, notify the Commissioner of that fact in writing or in such other manner as may be approved.
Maximum penalty: 50 penalty units.
- (3) A reference in subclause (2) to a permit holder's legitimate reason for possessing or using a firearm includes a reference to the circumstances in respect of which the holder possesses or uses the firearm under the authority of the permit.

16 Requirement to notify change of particulars other than address

- (1) The holder of a licence or permit must, if there is any change in a particular (for example, the name of the holder) stated in the licence or permit:
 - (a) notify the Commissioner, in writing or in such other manner as may be approved, of the change within 14 days after the change occurs, and
 - (b) if a replacement licence or permit is issued to the holder—surrender the original licence or permit at the police station nearest to the usual place of residence of the holder within 14 days after receiving the replacement licence or permit.

Maximum penalty: 20 penalty units.

- (2) This clause extends to a change in the genuine reason for which the person was issued with a licence (including the removal of a genuine reason or the inclusion of an additional genuine reason).
- (3) This clause does not apply to a change in a licensee's or permit holder's place of residence.

Note. Section 69 of the Act already requires the holder of a licence or permit to provide particulars of his or her change of address.

17 Requirement to notify Commissioner of address where firearms are kept

- (1) The holder of a licence or permit must, within 14 days after acquiring any firearm, give the Commissioner a notice in writing or in such other manner as may be approved:
 - (a) specifying the address of the premises on which the firearm is to be kept when not actually being used, and
 - (b) specifying particulars of the arrangements that have been made by the licence or permit holder for the safe keeping and storage of the firearm on those premises, and
 - (c) certifying in the approved form that those arrangements comply with the requirements of the Act and this Regulation concerning the safe keeping and storage of the firearm.

Maximum penalty: 50 penalty units.

- (2) Subclause (1) does not apply if the licence or permit holder has already provided the information and certificate referred to in that subclause to the Commissioner in connection with the application for the permit to acquire the firearm concerned.
